### Evening Entertainment!

#### 2 great nights of Country music with 'The Aaron Daniels Band'

The Aaron Daniels Band is a young and dynamic 6 piece country rock outfit out of Melbourne. Their unique blend of country, rock and blues coupled with great original song writing style, has seen them make a quick rise to prominence nationally. Tamworth 2005 saw the band take out the 'Aristocrat Entertainer of the Year' award and runner-up in the 'Tamworth Battle of the Country Bands'.

#### Sunday night with local favorite Sean Cartlidge

As the weekend winds down local musician Sean Cartlidge turns on the tunes with his entertaining one man band!
