2010 GET TOGETHER A HUGE SUCCESS

Thursday, 14 January 2010

More than 4000 people braved the hot conditions to attend the 2010 Get Together at the Howson's property at Wombat Crossing Boisdale. Despite the heat, the program went on as planned.

Eleven State Members of Parliament attended. Leader of the National Party and Coalition Shadow Minister for Bushfire Recovery, Peter Ryan announced, to loud applause, that if elected, the Opposition would put cattle back into the Alpine National Park.

President of the MCAV Doug Treasure thanked Mr Ryan for his announcement and told the crowd the MCAV intend staying for the long haul.

"We are determined to protect our heritage and convince the public of the management value of grazing.

Over the weekend the MCAV released a paper named "The Links between grazing and fuel reduction in the grazing zones of the High Country".

This paper will be posted on our website soon along with Frances Westbury's fabulous photos of the event.
