Please Help Us

- To keep our 175 year pioneering heritage and tradition of grazing cattle on the summer pastures of the high country alive.
- To encourage proper management of alpine areas and to maintain access to public land.
- To show our bureaucrats, politicians and opponents that we have a strong and committed support base.
- To increase our funds and to form a war chest to fight for our grazing licences, our history and our heritage.

Your subscription to the Association will do all of these things with membership entitlements as follows:

Newsletters, discount on merchandise purchases of \$30 or more at the Get-Together in January, annual magazine *Voice of the Mountains* and knowing mountain cattlemen value your support and encouragement.
