

2020 MOUNTAIN CATTLEMEN'S ASSOCIATION OF VICTORIA  
ANNUAL GET TOGETHER

Entries accepted from 9am, October 14.

## CattleKids Cup Challenge

Information & Terms and Conditions of Entry

A timed course with a series of challenges to introduce our young riders to the type of riding required for the Junior Cattlemen's Cup.

Components MAY include speed riding, whip cracking, jumps and each year the challenges are tweaked to suit the terrain and provide variety. Riders will be given a generous maximum time to complete the course and will be allowed two attempts at each obstacle.

Points are scored for negotiation of obstacles and for the skills challenges – the maximum points are awarded for a first try success and points are deducted after that.

The types of obstacles that riders may face include seesaws, crossing bridges, cracking whip targets, small log jumps or completing dry work elements such as a simple change or collected trotting. We recommend that all kids be comfortable with trotting and ideally cantering.

### The event

The CattleKids Cup is subject to change and the Central Committee reserves the right to change or alter any part of the event at their sole discretion. Any changes (if made) are done so with the rider's and horse's safety as the first priority.

Any rider found to be mistreating their riding horse or any other horse or animal in their or another person's care will be disqualified.
